Elementary Parent Night @ 6:30pm

Link: <https://zoom.us/j/777133159>

### January 13

Live classes resume

### January 23

High school Semester 1 ends

### January 27

High school Semester 2 begins, live class schedule changes to Semester 2—check your schedule!

### January 30

High School Term 2, Semester 1

## PRINCIPAL'S MESSAGE

Dear WCAS Families and Students,

Happy 2020! There is something especially exciting about new beginnings. And this time, as the New Year dawns, we find ourselves at the beginning of not just a new year, but a new decade!

As I think about new beginnings, I'm reminded of the very beginning of the world, in which God crafted all the natural elements, including human beings, and declared after designing each one: "It is good!" Even our God celebrates new beginnings!

We know that the year ahead will bring many joys, but it will bring challenges for each one of us, too. As we traverse this new territory, may we each hold on to this promise from God for each of us:

**Be strong and courageous. Do not be afraid or terrified...for the LORD your God goes with you; he will never leave you or forsake you. Deuteronomy 31:6**

God is there for us. On good days, and on bad ones, too. He is there—to celebrate and laugh with you in happy times, and to cry with you in difficult ones. My New Years prayer for each of us is that we will all grow in our relationships with Him as we walk through this new year together, with God by our side.

Blessings and love to you and yours in 2020! –Mrs. K

*happy new year!*  
**2020**

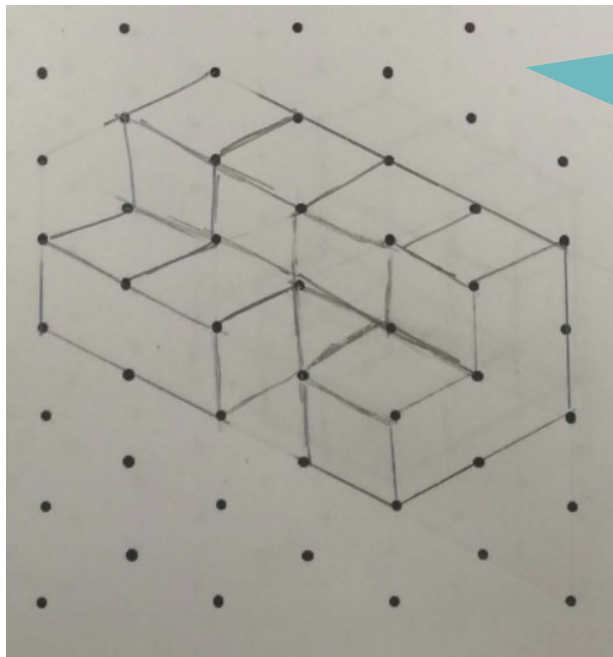

# SHOUT OUT

West Coast Adventist School

Let's celebrate some amazing  
examples of WCAS student learning!

Grade 10 students Rochelle Warner (left) and Lucas Lacy (right) wrote wonderful "how to" assignments for English. Rochelle's was about how to etch glass and Lucas' described how to winterize a dirt bike. Really excellent work!

Grade 12 student Noah Potter did a great job doing orthographic to isometric drawing for Math 12.

Grade 10 student McKenna Weimer wrote a children's book for English class (title page pictured here). She used computer graphics to make a beautiful final product. Brilliant!

examples of WCAS student learning!

SUPER  
AWESOME  
& AMAZING

Kindergarten  
students  
Amy (left)  
and João  
(right) made  
models of  
restaurants  
for their  
community  
projects in  
Social  
Studies.  
Wow!

Grade 4 snowman shadow art projects by Jinger  
(left), Mathias (middle), and Taehue (right)
