## PRINCIPAL'S MESSAGE

### Happy New Year's, WCAS Staff, Students, and Families!

I hope you enjoyed your break, and I am wishing you all the very best for this upcoming year. This year, it feels especially exciting to think about a new year, new beginnings, and, quite possibly a settling down of sorts, into a new reality. Perhaps there is light at the end of the tunnel that was 2020! But before we move on, sometimes it is a good idea to pause and contemplate the ways that God has led us in the past, especially in difficult times. As I think about the year we've just been through, I think about the Israelites arriving in the promised land after wandering in the wilderness for 40 years. As they built their new society after years and years in exile, God gave them this command:

**"Remember how the Lord your God led you all the way in the desert these forty years" Deut. 8:2**

I do believe that it is good to be hopeful at the start of something new. God wants to enjoy the blessings He has given us! But as we start a new year, let's not forget the way that He has led and guided in the past. We all have much to be grateful for—not least of all, each other! Friends, I am praying that 2021 brings each of your families joy and peace. I am so glad that each of you is a member of the WCAS family.  
**Blessings to you in 2021! - Mrs. Kartik**

I am going to be the change  
because I want to make the world  
a better place

I will be kind to others

I will not argue with others

I will not litter to help the earth

I will help others less fortunate

If I am kind to it might inspire  
other people to be kind too
