PRINCIPAL'S MESSAGE

Happy March, West Coast Family! I hope that this month finds you well and also ready to explore the earliest signs of Spring. I particularly look forward to this season after the long spell of rain and dreariness on the west coast. Typically, March also brings plenty of rain along with it where I live, but it somehow seems a little more bearable once green shoots of grass begin to emerge and the temperature becomes just a little warmer.

March is kind of a special month at West Coast too, because after a few months of solid schoolwork, there are two weeks of March that are slotted for Spring Break! So, we have lots to look forward to! I hope that you all are making special plans that involve lots of rest and recuperation. Once Spring Break is over, you'll be surprised how quickly time will fly as we make that final leap towards the end of the year. Blessings to you as you continue on your journey! Let us know if there is anything we can do to help along the way! —Mrs. Kartik
