April 15 HS End of T3 Returning Student Deadline for Registration

April 22 HS Report Cards Published

April 28 K-12 Reading Buddies 8:40 am - see email for link

VICE PRINCIPAL'S MESSAGE

Happy April, West Coast Family! Does your family love listen to music like mine? Do you have playlists for different occasions? We have specific songs we listen to when we take scenic drives, read, doing school (WCAS Study Jams playlist) and especially pick up toys. Put on the tunes we love, and we'll know what to do.

We also enjoy seasonal songs, and I'm sure you do too! Do you have pieces you look forward to playing come Christmas or Summer? How about anticipating Spring? I will confess that where I live, Spring comes early, and we have already enjoyed our fair share of plum tree blossoms and daffodils. For those of you still experiencing the last breaths of winter, Mozart has a song for you, **Longing for Spring**. "Let us find the violets that Spring brings..." writes Mozart about what children look forward to while "snow is on the ground ."

Mozart also has a requiem that many people listen to around Easter. I have fantastic memories of singing the alto part in the chorus with the Burman University Choir. Lux Aeterna (*Eternal Light*) was one of my favourites; it still gives me shivers.

As we approach Easter and celebrate what Jesus has done for each one of us, you may enjoy listening to *Jesu Joy of Man's Desiring*, J.S.Bach (instrumental or chorus) or perhaps <u>In Christ Alone</u>, sung by Lauren Daigle, is more your jam.

In Christ alone my hope is found He is my light, my strength, my song

~ Mrs. Sutherland (view the newsletter as a pdf to click on the links above)

Jerry's first day at work One day, Jerry thought of being an ice cream worker. He went all around the streets of New York to see if any ice cream shops were hiring people. At the end of the day Jerry was tired so he decided to go to his fororite ice cream shop Purdeys but then he saw a sign that said now hiring! Jerry was so happy he immediately ran to go and ask if he could work there! The people were very polite and showed Jerry how to do it . by the next day Jerry passed by his friend Tanveer . Jerry was very happy to see Vanveer. After they took a break to eat some ice cream it was delicious . after eating the yummy ice he was the most satisfied customer yet the end.

Tanveer, Grade 5, LA Writing Sample
