PRINCIPAL'S MESSAGE

Seasons Greetings, West Coast Family!

It seems hardly possible that we are already entering the Christmas season at West Coast and that we are nearing the end of 2021. We have lots of fun things planned as a community, and I hope this season is a blessing to you all. The era leading up to Christmas is called "Advent." it is a season of eager anticipation for a coming event that excites us. By celebrating Advent, we commemorate the anticipation that the Israelites had awaiting the long-expected Messiah.

As an Adventist school community, we know all about eager anticipation! We are living each day looking forward to the moment when we get to see Jesus come back to take us home to Heaven. As Christmas approaches, we get a reminder of that special feeling of excitement and looking forward. Christmastime beckons us with its promise of family time, baked goods, hot chocolate, the giving and receiving of presents, warm fires, the comforts of home, and being surrounded by love. These blessings really are a shadow of what is to come for us all when we are reunited with Jesus. Surrounded by our brothers and sisters in Christ, we will never go hungry or feel the pain of separation from those we love again. We will be surrounded by love for an eternity. What a blessed hope!

Students and families, I am wishing you all the joys of the season and many blessings for each of you in 2022. May you each feel the warmth and love of Jesus as we celebrate Advent 2021 together as community.
—Mrs. Kartik
