

## CELEBRATE WITH US!

West Coast has been approved  
by the BC Ministry of Education  
and Children to continue  
as a Provincial Online School!

Have you ever wondered what school at home looks like for other West Coaster learners? To satisfy your curiosity, scroll down to page 3!

I received so many examples of students experiencing education Anytime and Anywhere. It's truly remarkable to see our West Coast students learning in the environment that works best for them. I'll continue sharing these images over the subsequent editions of the Quest. I hope you find them as inspiring and heartwarming as I do.

As we head into the Thanksgiving long weekend, I want to express my gratitude to our students, parents, caregivers, teachers, and supportive community. **We are blessed beyond measure.**

"From the fullness of His grace, we have all received one blessing after another." John 1:16

Now take your ideas and write a descriptive paragraph about autumn.

Andrew

I Have you ever wondered about a colourful picture view? one day I was in the park with my family. I see a lot of the leaves. They were red, orange, yellow and brown. I hear some birds in the sky, they were going to another place. I always see birds in my neighbourhood. some leaves were wet when I touch them. Once I got home I could hear

the sound of the rain outside. I like to go to this park because it reminds me of all the fun that I had there.
