

WHAT DOES MAKING COMMUNITY LOOK LIKE AT WEST COAST?

This month, we asked our West Coast students about building a sense of community in online education. Although it may not be the first thing that comes to mind, having a strong community is essential for online schools too.

At West Coast, we're dedicated to creating a supportive community that helps students grow academically and spiritually and feels like a family for everyone involved – students, parents, and staff.

Check out the pages below to hear from our students!

THE COUNTDOWN TO
SPRING BREAK IS ON!

No matter how you spend your Spring Break, we'd love to see how you spend your two-week vacation! Share photos or stories on the student hub!

Will you spend it enjoying the sun, reading, maybe even sleeping?!

SEEK & FIND

Find a spring break-related item in each virtual classroom that hints at how each teacher will spend their break.

Community

WHAT DO YOU LIKE MOST ABOUT WEST COAST ADVENTIST SCHOOL?

We work well together and use our talents for God and the entertainment of each other.

It allows you to be independent and plan out your day.

Being online and seeing everyone's faces.

You can still connect with your peers even though it's online.

What I like most about West Coast is how close everyone is.

The ability to get ahold of any teacher, any time to help me solve anything.

Definitely the Teachers. By far the best teachers I've had in school.

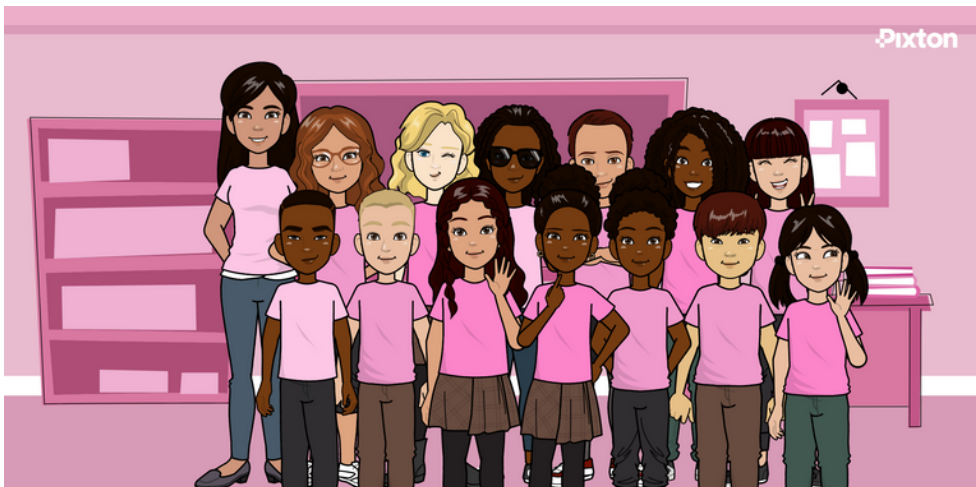

I like so much about it, but the biggest one is the flexibility we get to have.

I like that teachers are always kind, helpful, and always there for you (FYI: they solve problems without ever getting mad!).

West Coast encourages me to communicate with other kids around Canada.

The WCAS community is a friendly community; West Coast encourages community values through the Bible.
