

WELCOME BACK

from Spring Break!

At West Coast, Spring is an action-packed season. We hope you're feeling rejuvenated, energized and ready to buckle up for an exciting ride with all the events we have planned for you!

We recently gathered as a school for our Easter Assembly, where we reflected on God's blessings and His gift of Jesus. Two of our talented students performed an inspiring rendition of *Jesus Paid it All*. Despite being thousands of kilometres apart, the student's performance showcased the remarkable willingness and teamwork of West Coast students to work together for God's glory. Watch their performance on our Youtube channel and be inspired!

Attn Parents: Please re-register your child(ren) for the upcoming year! Our program depends on accurate student numbers.

We can't wait to continue the incredible journey of learning and growth with your child!

SPRING BREAK ADVENTURES

SEE WHAT YOUR CLASSMATES WERE UP TO

Our family went camping on the beach in Tofino! We found sea caves, explored tide pools, and biked on the beach. It was wonderful!

-Jenna McQueen

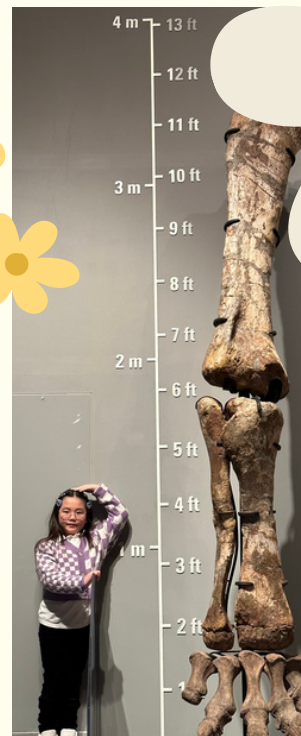

On my spring break, I did a lot of chores and schoolwork, and I hung out with friends.

-Logan Corcoran

Hadley & I went to the aquarium in Vancouver.

-Mattias Mosher

My family went to Calgary to visit family and friends!

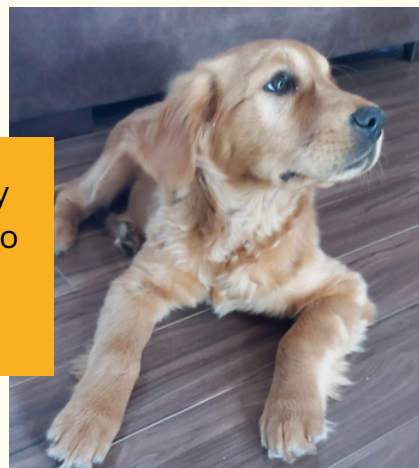

-Francine Santos

During spring break I worked on finishing chemistry! I also drove a few hours away to celebrate my brother's birthday.

-Olivia Kwak

My spring break was really busy with work. But we also got a puppy!

-Mikayla Jewkes

For my spring break my dad and I worked on my moms car to get a fuel issue resolved, and we did but now there is another problem that we will have to get on eventually. I had a couple jobs, one was cleaning our local Winners Mondays and Fridays, and my other job was working for my cousin doing electrical which was fun. I also made sure to sleep in and enjoy my break.

-Everett Pachmann

APRIL IS POETRY MONTH!

We challenge you to write a haiku that include the season word "Dandelion" and focuses on a single moment of time. Simple is best when it comes to haikus, so make your focus on the season word.
