

WEST COAST QUEST

VOLUME 5 | ISSUE 1

SEPTEMBER 2023

THE FUTURE OF WEST COAST IS BRIGHT!

With a sense of excitement and anticipation, I extend a warm welcome to each of you as we start another enriching academic year at West Coast. This year's theme, "**The Future is Bright**," draws inspiration from the timeless wisdom of Matthew 5:14-16: "You are the light of the world. A city set on a hill cannot be hidden..." These words capture the heart of our shared educational journey.

As we gather here, we are reminded that each student burns a unique and radiant light, a light that has the power to illuminate the community around them. Just like a city on a hill serves as a visible guide, our students serve as beacons of hope, curiosity, and innovation. We believe that education isn't just about sharing knowledge; it's about sparking this inner light and empowering our students to let it shine.

Let us learn, explore, and inspire as we head into the brilliance that awaits us, echoing the promise of a brighter tomorrow.
