VOLUME 6 | ISSUE 6

"BE KIND AND COMPASSIONATE TO ONE ANOTHER, FORGIVING EACH OTHER, JUST AS IN CHRIST GOD FORGAVE YOU."
— EPHESIANS 4:32

Hello West Coast Families!

February is here, bringing warmth and connection even amidst the winter chill. As we embrace this cozy season, we're reflecting on the recent **Week of Prayer**—a special time of worship and connection that brought us closer together. From student-led talks to beautiful music and learning ASL for *Waymaker*, it was truly a meaningful experience.

This month, we kick off our **Kindness Challenge!** Acts of kindness, whether big or small, create ripples of positivity in our homes, classrooms, and beyond. We encourage all students and families to find ways to spread kindness daily—through kind words, helping a friend, or showing gratitude.

With **Family Day** approaching, we encourage you to cherish moments with your loved ones. Family is a gift, reminding us to slow down and create lasting memories. Thank you for being an essential part of our online school community.

Here's to a February filled with kindness, connection, and joy!
Blessings,

Mrs Sutherland

COACH'S CORNER

Students: Kindness is a powerful force that can transform not only others but also yourself. It costs nothing, yet it has the ability to change someone's day or even their life. Whether it's through a simple smile, a thoughtful word, or a helping hand, remember that every act of kindness counts. It's not about grand gestures—it's about the small, consistent ways we show care and empathy. Let kindness be the light that guides your actions, and watch how it grows, creating a ripple effect of positivity in the world around you.
